INTRODUCTION

Galaxy Medicare Limited commenced its journey in 1992 with a vision to manufacture high-quality medical and surgical products. The Company was established in July 1992 when its Founder, Mr. Dillip Kumar Das, acquired an existing manufacturing unit and began the production of Plaster of Paris Bandage B.P. Over the years, the Company has evolved into a trusted manufacturer of a comprehensive range of medical and surgical consumables, serving both domestic and international markets.

A significant milestone in the Company's growth was achieved in 1995 when Smith & Nephew Limited, United Kingdom, selected Galaxy Medicare Limited as its exclusive manufacturing partner for its globally recognized "Gypsona" Plaster of Paris Bandage for the markets of India, Sri Lanka, Bangladesh and Nepal. This prestigious association continued until 1999, reflecting the Company's commitment to quality and manufacturing excellence.

Since 1999, the Company has been associated with 3M India Limited, a part of 3M USA, one of the world's leading Healthcare and Technology Companies. Galaxy Medicare Limited continues to be the sole manufacturing partner for 3M Cast Plaster of Paris Bandage B.P. in India

and also exclusively manufactures 3M Elastic Adhesive Bandage for 3M India Limited.

This long-standing partnership stands as a testament to the Company's robust manufacturing capabilities, stringent quality standards and customer-focused approach.

Building on its strong manufacturing foundation, the Company gradually expanded its own marketing network across Eastern India while diversifying its product portfolio to include a wide range of bandages, dressings, surgical tapes and other medical consumables. Today, Galaxy Medicare Limited serves numerous healthcare institutions and OEM customers, with nearly ten leading OEM partners who continue to place their trust in the Company's consistent quality, reliability and manufacturing expertise.

With over three decades of experience, Galaxy Medicare Limited has established itself as a trusted name in the Indian medical devices industry. Guided by innovation, quality and customer satisfaction, the Company remains committed to delivering world-class healthcare solutions and creating sustainable value for its customers, business partners and shareholders.

THE GML BLUEPRINT

OUR VISION :

MEDICAL & SURGICAL PRODUCTS INDUSTRY OVERVIEW

The Medical & Surgical Products Industry in India is witnessing significant growth and transformation, driven by increasing healthcare awareness, rising population, expansion of healthcare infrastructure and growing demand for quality medical services. India has emerged as one of the fastest growing markets for medical devices, surgical consumables and healthcare products, supported by favourable government policies, increased investments in the healthcare sector and the “Make in India” initiative promoting domestic manufacturing.

The Industry currently plays a critical role in strengthening the healthcare ecosystem of the Country by ensuring the availability of reliable and affordable medical and surgical products across hospitals, nursing homes, clinics, diagnostic centers and healthcare institutions.

The Indian Healthcare Sector is also witnessing rapid expansion in Tier II and Tier III cities, creating substantial opportunities for companies engaged in manufacturing and distribution of medical and surgical products. Increased government spending on healthcare, improvement in medical facilities and rising health insurance penetration are expected to continue supporting the long term growth of the industry.

In this dynamic and evolving environment, Galaxy Medicare Limited continues to strengthen its market presence through its commitment towards quality, innovation, customer satisfaction and operational excellence. The Company is engaged in supplying a wide range of medical and surgical products aimed at meeting the growing requirements of healthcare professionals and institutions across India.

During the Financial Year 2025-2026, the Company achieved a major milestone with the successful listing of its Equity Shares on the National Stock Exchange of India SME Platform on 17th September 2025. The Listing has enhanced the Company's brand recognition, corporate governance standards and stakeholder confidence, while providing a strong foundation for future growth and expansion.

The Company remains focused on expanding its product portfolio, strengthening distribution networks, enhancing operational efficiency and building long term relationships with customers and business partners. With a positive industry outlook, increasing demand for healthcare products and a dedicated management team, Galaxy Medicare Limited is well positioned to capitalize on emerging opportunities and continue creating sustainable value for its shareholders.

MANAGEMENT DISCUSSION & ANALYSIS

Galaxy Medicare Limited

For the Financial Year 2025-26

1. Economic and Industry Overview

The Financial Year 2025-26 witnessed steady growth in India's healthcare and medical devices sector, supported by increasing healthcare expenditure, expansion of hospital infrastructure, growing awareness of preventive healthcare, and government initiatives promoting domestic manufacturing under the "Make in India" programme.

The Indian medical consumables market continued to experience rising demand from hospitals, nursing homes, diagnostic centers, government healthcare institutions, and export markets. Demand for wound care products, surgical dressings, POP bandages, medical tapes, and disposable medical products remained stable throughout the year.

The healthcare sector is increasingly focusing on quality, affordability, infection control, and patient safety. These trends create long-term opportunities for companies engaged in manufacturing essential medical consumables such as Galaxy Medicare Limited.

2. Company Overview

Galaxy Medicare Limited is engaged in the manufacturing, trading, and export of medical devices and healthcare consumables. The Company's product portfolio includes:

- POP Bandages

INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF GALAXY MEDICARE LIMITED

Report on the Audit of the Financial Statement

Opinion

We have audited the Financial Statements of Galaxy Medicare Limited ("the Company"), which comprise the Balance Sheet as at 31st March, 2026, the Statement of Profit and Loss and Cash Flow Statement for the year then ended, and notes to the Financial Statements, including a summary of the significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Financial Statements give the information required by the Companies Act, 2013 ("the Act"), in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, including Accounting Standards specified under Section 133 of the Act, read with Companies (Accounting Standards) Rules, 2021, of the state of affairs of the Company as at 31st March, 2026, and its profit and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Financial Statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Financial Statements.

Emphasis of Matter

We draw attention to following Note of the Financial Results:

- I) Note no. 21 of the Financial Results, where the Company has paid ₹ 50 lakh as advance to the Book Running Lead Manager (BRLM) appointed for the IPO before receipt of IPO proceeds but the same has not been adjusted by the BRLM while recovering its IPO fees from Escrow Collection Account.

Our report on the Statement is not modified in respect of this matter.

Information Other than the Financial Statements and Auditor's Report thereon.

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Management Discussion and Analysis; Board's Report but does not include the Financial Statements and our auditors' report thereon.

Our opinion on the Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Financial Statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

Based on the work we have done, if we conclude that there is a material misstatement of this other information, we are required to report that fact. Presently, we have nothing to report in this regard.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these Financial Statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Companies (Accounting Standards) Rules, 2021 as amended as applicable.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting implementation and maintenance of accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Financial Statements, Management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless Management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of Financial Statements

Our objectives are to obtain reasonable assurance about whether the Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

Identify and assess the risks of material misstatement of the Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by Management.
- Conclude on the appropriateness of Management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Financial Statements, including the disclosures, and whether the Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.
- We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order 2020 (the 'Order') issued by the Central Government of India in terms of Sub-section (11) of Section 143 of the Act, we give in the Annexure - A, a statement on the matters specified in paragraphs 3 and 4 of the Order.

(Referred to in paragraph (g) of Report on Other Legal and Regulatory Requirements paragraph of our report of even date).

We have audited the Internal Financial Controls with reference to Financial Statements of Galaxy Medicare Limited as of 31st March, 2026 in conjunction with our audit of the Financial Statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation, and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the ICAI and the Standards on Auditing, prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls.

Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting.

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that:

- Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and
- Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2026, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Note 28: SIGNIFICANT ACCOUNTING POLICIES AND ADDITIONAL NOTES ON ACCOUNTS:

1. NATURE OF OPERATIONS

Galaxy Medicare Limited, incorporated in 1992, is engaged in the manufacturing and sale of Plaster of Paris Bandages, surgical dressings, medical devices, and other surgical products. The Company operates in accordance with internationally recognized quality standards and holds certifications under ISO 9001:2015 and ISO 13485:2016. Its manufacturing activities are focused on delivering a comprehensive range of healthcare and surgical products to domestic and international markets.

2. BASIS OF PREPARATION OF FINANCIAL STATEMENTS

- i. The financial statements of the Company have been prepared in accordance with the generally accepted accounting principles in India (Indian GAAP). The Company has prepared these financial statements to comply in all material respects with the accounting standards notified under Section 133 of the Companies Act, 2013, read together with Companies (Accounting Standards) Rules, 2021 and the relevant provision of the Companies Act, 2013. The financial statements have been prepared on an accrual basis and under the historical cost convention and Going Concern concept. The accounting policies adopted in the preparation of the financial statements are consistent with those followed in the previous year, except in case of better disclosure of relevant reliable information and matching concepts.

The Company was listed on the SME platform of the Stock Exchange on 17th September, 2025 and, is therefore exempt from mandatory adoption of Indian Accounting Standards (Ind AS) in terms of Rule 4 of the Companies (Indian Accounting Standards) Rules, 2015. Accordingly, these financial results have been prepared in accordance with the Accounting Standards specified under Section 133 of the Companies Act, 2013 read with the Companies (Accounting Standards) Rules, 2021, as amended."

ii. OPERATING CYCLE

All assets and liabilities have been classified as current or non-current as per the Company's operating cycle and other criteria set out in Schedule III to the Companies Act, 2013. Based on the nature of operations, the Company has ascertained its operating cycle as twelve months for the purpose of current/non-current classification of assets and liabilities.

Current/Non-current Classification: The Company presents assets and liabilities in the balance sheet based on current/ non-current classification. An asset is classified as current when it is:

- i. Expected to be realised or intended to be sold or consumed in the Company's normal operating cycle;
- ii. Held primarily for the purpose of trading;
- iii. Expected to be realised within twelve months after the reporting period; or
- iv. Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

Current assets include the current portion of non current assets. All other assets are classified as Non-current.

A liability is classified as current when it is:

- i. Expected to be settled in the Company's normal operating cycle;
- ii. Held primarily for the purpose of trading;
- iii. Expected to be settled within twelve months after the reporting period; or
- iv. There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period. Current liability include the current portion of non-current liability.

All other liabilities are classified as non-liability.

The operating cycle is the time between the acquisition of assets for processing and their realisation in cash and cash equivalents. Deferred tax assets and liabilities are classified as non-current only.

3. USE OF ESTIMATES

- i. The preparation of financial statements in conformity with Indian GAAP requires the management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the disclosure of contingent liabilities, at the end of the reporting period. Although these estimates are based on the management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in future periods.

4. REVENUE RECOGNITION

- i. Revenues/ Incomes and Costs/ Expenditures are accounted for under the Historical Cost Convention using accrual method of accounting.
- ii. Sales are recognised, net of returns if any, on despatch of goods to customers and are accounted at net realisable value ,net of Goods & Services Tax on the date of despatch of goods to customers.
- iii. Interest income
Interest Revenue is accounted for on a time proportion basis taking into account the amount outstanding and the rate applicable.
- iv. Dividend income
Dividend Revenue is recognized when the Company's right to receive dividend is established.
- v. Duty draw back and other benefits receivable on eligible export of goods manufactured are shown under "Other Income" as per rates applicable thereon on accrual basis on fulfillment of conditions of the benefits.
- vi. Insurance Claims
Income from Insurance claims are accounted for on the basis of claims admitted / expected to be admitted and to the extent that the amount recoverable can be measured reliably and it is reasonable to expect the ultimate collection.
- vii. Rental Income
Rental Revenue is recognized on an accrual basis in accordance with the terms of the relevant agreement.

5. PROPERTY, PLANT AND EQUIPMENT (PPE).

- i. The Company has adopted Revaluation model for Property, Plant and Equipment (PPE) for determining the gross carrying amount. The revaluation reserve created is not available for distribution to shareholders. PPE have been revalued by an independent external valuer.
- ii. PPE are stated at carrying value based on such valuation less accumulated depreciation as per

books of Accounts. Subsequent acquisition of the assets is stated at their purchase cost together with incidental expenses of acquisition.

- iii. Increase in valuation of fixed Assets on revaluation is shown under fixed Assets revaluation reserve. Depreciation on revalued amount is charged to statement of profit and loss with a corresponding amount transfer from revaluation reserve to general reserve each year.

6. INTANGIBLE ASSETS

Intangible assets are recorded at the consideration paid for acquisition of such assets and are carried at cost less accumulated amortization and impairment. Life of Intangible assets are taken as per Schedule II of Companies Act, 2013.

7. DEPRECIATION

- i. Depreciation on PPE is provided on Straight line Method (SLM) considering the useful life as specified under Schedule II to the Companies Act, 2013 except for assets which have been revalued by an external valuer. Depreciation on revalued Assets is Calculated on their respective revalued amount on Straight line Method over the balance useful life as determined by the valuer. Useful life recommended by technical expert for various revalued fixed assets are:

Assets	Useful Life
Factory Building	30-70 Years
Plant & Machinery	15-30 Years
Office Equipments	5-15 Years
Computers	3-10 Years
Electrical Installations	10-25 Years
Furniture & Fixtures	20 Years
Laboratory Equipments	10-30 Years
Material Handling equipments	10-30 Years
Vehicles	8-15 Years
Storage Tanks	15-35 Years
Computer Software	10 Years

For these classes of assets, based on technical evaluation carried out by external technical experts, the Company believes that the useful lives as given above best represent the period over which Company expects to use these assets. Hence, the useful lives for these assets are different from the useful lives as prescribed under Part C of Schedule II of the Companies Act, 2013.

- ii. Leasehold land allotted by IDCO for industrial purposes being perpetual and subject to renewal is not amortized.
- iii. Items costing Rs. 5000/- or less are depreciated during the year of addition.
- iv. Depreciation on additions to assets or on sale/ discard of assets is calculated pro-rata from the date of such additions or up to the date of such sale/ discard, as the case may be.

8. BORROWING COST

Borrowing costs relating to the acquisition/ construction of qualifying assets are capitalized until the time all substantial activities necessary to prepare the qualifying assets for their intended use are complete.

A qualifying asset is one that necessarily takes substantial period of time to get ready for its intended use. All other borrowing costs are charged to revenue.

9. INVESTMENT

Investments, which are readily realizable and intended to be held for not more than one year from the date on which such investments are made, are classified as current investments. All other investments are classified as Non - current investments.

On initial recognition, all investments are measured at cost. The cost comprises purchase price and directly attributable acquisition charges such as brokerage, fees and duties.

Current investments are carried in the financial statements at lower of cost and fair value determined on an individual investment basis. Non - current investments are carried at cost. However, provision for diminution in value is made to recognize a decline other than temporary in the value of the investments. On disposal of an investment, the difference between its carrying amount and net disposal proceeds is charged or credited to the statement of profit and loss.

10. INVESTMENT PROPERTIES

Investment properties are properties held to earn rentals and/or for capital appreciation. Investment properties are measured initially at cost including transaction costs. Subsequent to initial recognition, investment properties are stated at cost less accumulated depreciation and impairment losses. Any gain or loss on disposal of investment property is determined as the difference between net disposal proceeds and the carrying amount of the property and is recognised in the Statement of Profit and Loss.

11. PROVISIONS, CONTINGENT LIABILITIES AND CONTINGENT ASSETS

A provision is recognized when an enterprise has a present obligation as a result of past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions are not discounted to its present value and are determined based on best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates.

A present obligation that arises from past events, where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made, is disclosed as a contingent liability. Contingent liabilities are also disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company. Claims against the Company, where the possibility of any outflow of resources in settlement is remote, are not disclosed as contingent liabilities.

Contingent assets are not recognised in the financial statements.

12. INVENTORIES

- i. Stock of Raw Materials, Packing Materials, Components and stores are valued at lower of cost and net realizable value using FIFO method.

- ii. Stock of Materials-in-Process and Finished Goods are valued at lower of cost and net realizable value. Cost excludes Goods & Services Tax paid on inputs for manufacture of the Finished Goods.

13. FOREIGN CURRENCY TRANSACTION

- i. Receipts and Payments in foreign currency are recorded at actual rates prevailing on the date of transaction.
- ii. Balances in the form of Current Assets and Current Liabilities (Except for procurement of PPE) in foreign currency, outstanding at the close of the year, are converted to in Indian Currency at the appropriate rates of exchange prevailing on the date of Balance Sheet and the resultant loss or gain is taken to exchange variation and treated in the Profit and Loss Account.

14. RESEARCH AND DEVELOPMENT

Revenue expenditure including overheads on Research and Developments are charged off as an expense through the natural heads of account in the year in which incurred. Expenditure which results in the creation of capital assets is taken to fixed assets and depreciation is provided on such assets as applicable.

15. EMPLOYEE BENEFITS

i. Short Term Employee Benefits:

All employee benefits payable wholly within twelve months of rendering service are classified as short term employees benefits. Benefits such as salaries, wages, short term compensated absences, etc and the expected cost of bonus, ex-gratia are recognized in the period in which the employees rendered the related service.

Post Employment and Long Term Employees Benefits:

ii. Defined Contribution Plans

Provident Fund and Employees State Insurance Scheme are defined contribution plans. The contribution paid/ payable under the schemes is recognized as an expenses during the period in which the employees renders the related services.

iii. Defined Benefits Plans

Gratuity on account of services gratuity is covered under Gratuity-cum-Life Assurance Scheme of Life Insurance Corporation of India. Annual premium paid for the scheme is charged to Profit and Loss Account along with actuarial gain or losses.

Provision for leave encashment benefit is done on the basis of actuarial valuation, by an independent Actuary. The benefit is determined using projected unit credit method with actuarial valuation carried out by an independent Actuary. Past service cost is recognised when the plan amendment or curtailment occurs or any related restructuring cost or termination benefits are recognised as per Accounting Standard-15, Employees Benefits.

iv. Other Long Term Employee Benefits

Other long-term employee benefits, comprising primarily of leave encashment benefits, are accounted for on the basis of an actuarial valuation carried out at the balance sheet date by an

independent actuary using the Projected Unit Credit Method. Actuarial gains and losses arising during the year are recognised immediately in the Statement of Profit and Loss. The liability recognised in the Balance Sheet represents the present value of the obligation as at the reporting date.

16. TAXATION:

Tax expense comprises of current and deferred tax. Current income tax is measured at the amount expected to be paid to the tax authorities in accordance with the Indian Income Tax Act. Deferred income taxes reflect the impact of current year timing differences between taxable income and accounting income for the year and reversal of timing differences of earlier years. Deferred tax is measured based on the tax rates and the tax laws enacted or substantively enacted at the balance sheet date. Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred tax assets and deferred tax liabilities relate to the taxes on income levied by same governing taxation laws. Deferred tax assets are recognized only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized. In situations where the Company has unabsorbed depreciation or carry forward tax losses all deferred tax assets are recognized only if there is virtual certainty supported by convincing evidence that they can be realized against future taxable profits.

At each balance sheet date, the Company re-assesses unrecognized deferred tax assets. It recognizes unrecognized deferred tax assets to the extent that it has become reasonably certain or virtually certain as the case may be that sufficient future taxable income will be available against which such deferred tax assets can be realized.

The carrying amount of deferred tax assets are reviewed at each balance sheet date. The Company writes down the carrying amount of a deferred tax assets to the extent that it is no longer reasonably certain or virtually certain as the case may be that sufficient future taxable income will be available against which deferred tax asset can be realized. Any such write down is reversed to the extent that it becomes reasonably certain or virtually certain as the case may be that sufficient future taxable will be available.

17. EARNINGS PER SHARE

Basic earnings per share are calculated by dividing the net profits or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to the equity shareholders and the weighted average number of shares outstanding during the period is adjusted for the effects of all dilutive potential equity shares.

18. IMPAIRMENT

The carrying amounts of assets are reviewed at each balance sheet date to determine if there is any indication of impairment based on internal / external factors. An impairment loss is recognised wherever the carrying amount of an asset exceeds its recoverable amount. The recoverable amount is the greater of the asset's net selling price and value in use. In assessing value in use, the

estimated future cash flows are discounted to their present value at the weighted average cost of capital.

19. LEASES

I. Company as a Lessor

Operating Leases

Leases in which the Company does not transfer substantially all the risks and rewards incidental to ownership of the leased asset are classified as operating leases. Assets subject to operating leases are included under Property, Plant and Equipment and are depreciated in accordance with the Company's accounting policy. Lease rental income is recognised in the Statement of Profit and Loss on a straight-line basis over the lease term unless another systematic basis is more representative of the pattern in which benefit from the asset is diminished.

Finance Leases

Leases in which substantially all the risks and rewards incidental to ownership of the leased asset are transferred to the lessee are classified as finance leases. Assets given under finance leases are derecognised and a lease receivable is recognised at an amount equal to the net investment in the lease. Finance income is recognised over the lease term so as to provide a constant periodic rate of return on the net investment outstanding.

Company as a Lessee

Operating Leases

Leases in which substantially all the risks and rewards incidental to ownership are not transferred to the Company are classified as operating leases. Lease rentals payable under operating leases are recognised as an expense in the Statement of Profit and Loss on a straight-line basis over the lease term. Any lease income arising from operating leases is recognised on a straight-line basis over the lease term.

Finance Leases

Leases that transfer substantially all the risks and rewards incidental to ownership of the leased asset to the Company are classified as finance leases. Assets acquired under finance leases are recognised at the lower of the fair value of the leased asset and the present value of minimum lease payments at the inception of the lease. Lease payments are apportioned between finance charges and reduction of the outstanding lease liability so as to achieve a constant periodic rate of interest on the remaining balance of the liability.

20. ACCOUNTING FOR BAD & DOUBTFUL RECEIVABLES/ LOANS/ ADVANCE, ETC.

- i. Provision is made for doubtful Receivables/Loans and advances when the same is considered doubtful of recovery but chances of recovery subsist.
- ii. Amounts are written off, when the efforts for recoveries have failed either due to legal process or where it is considered the cost of litigation will be more than the amount that can be recovered.

21. PRIOR PERIOD / EXTRAORDINARY ADJUSTMENTS

Expenditure/ Receipts relating to the particular year, coming to notice after closure of the Accounts i.e. after the cut off date are booked under the relevant head of expenditure / receipt of the next year, if the amount involved is not more than ₹ 20,000. In case the amount is more than ₹ 20,000, the provisions contained in the Accounting Standard-5 of the Institute of Chartered Accountants of India are applied for determination of its account under natural head of account of Current year/ Prior period/ Extraordinary Expenditure/ Income.

22. CASH AND CASH EQUIVALENT
